MAJESTIC LIFE
INTERNATIONAL LIMITED
... Pathway to a Majestic Living

About us

Majestic Life International Limited (RC: 8502327) is a proudly indigenous Nigerian company with strategic global partnerships, committed to delivering scientifically-proven, nature-based solutions that enhance human health, well-being, and prosperity.

We specialize in Mechanized Irrigation and Organic Crop Farming, cultivating staple food crops to promote food security across Africa. In addition, we grow the key natural ingredients used in our range of premium organic skincare, haircare, and wellness supplements, ensuring purity, potency, and sustainability from farm to final product.

With decades of experience in commercial agriculture and organic health solutions—and a strong track record of positive results from clients and healthcare professionals—we are now expanding our impact through a powerful Direct Sales and Multi-Level Marketing (MLM) model. This approach allows us to empower individuals across Africa and beyond with meaningful income opportunities, wealth creation, and personal transformation through our generous reward system.

At Majestic Life, we don't just grow crops—we cultivate health, prosperity, and hope for a better tomorrow.

Vision, Mission, and Core Values

Vision

To be Africa's leading indigenous MLM and health solutions company, transforming lives through innovation, empowerment, and holistic wellness.

Mission

TOTAL				₦504,000.00

Genealogy

Retail Profit

After getting our need-based products at ₦15,000.0 per one, our distributors are at liberty to sell to final users at a maximum of 33.3% profit. Hence they can sell at ₦20,000.00 and make ₦5,000.00 profit in addition to their bonuses.

UPGRADE BONUS

When you upgrade from one package to another higher package in Majestic Life, 10% of your upgrade cost comes back to you, while 10% goes to your sponsor.

Example:

If you upgrade from the Yellow Package (of ₦75,000.00) to the Green Package (of ₦150,000.00), after getting products worth ₦75,000.00, you will also get a bonus of ₦7,500.00 while another ₦7,500.00 will go to your sponsor as an **Upgrade Bonus**.

PLACEMENT BONUS

You can sponsor and place a new affiliate under anyone and get the 20% of the entry package as your Sponsor Bonus while those you place the new affiliate under gets 3%, 2% and 1% Placement Bonus to the 4th generation.

Matching Bonus

You will receive 0.5% of the value of your entry package each time there is a “matching” of 40PV from the right and 40PV from the left section of your genealogy network.

NB:

It's only the Distributors at Yellow, Green, Blue, and Rainbow Packages that are entitled to the Matching Bonus.

Matching Bonus

PACKAGE		BONUS (ON 40PV PAIR)		CAPPING (MAXIMUM EARNING PER ACCOUNT)			
Name	Start-Up	% of Start-Up	Per Pair	Max. Pair/Day	Daily	Monthly	Annually
Rainbow	N600,000.00	0.5% of N600K	N3,000.00	25	N75,000.00	N2,250,000.00	N27,000,000.00

This is the most juicy part of this business.

Re-Order Bonus

Once you have upgraded your account to a Rainbow Package, you are at liberty to have another account or to re-purchase if you are in need of more products. Nevertheless, 20% of your payment for re-buying is coming back to you in the form of a Re-Buying Bonus.

Leadership Bonus

5% of the total global profit of the company is for those who have reached the ranks of Chief Marketing Officer and Marketing Director. The total leadership pool would be equally divided among the Chief Marketing Officers (CMO) and Marketing Directors and would be equally divided among all that have ranked to that status per quarter.

Stockists Bonus

4%, 5% or 6% of the total revenue generated from all the products ordered through a stockiest would be paid back to the stockist every week as the Stockist Bonus.

Stockists Bonus

STOCKIST		ALLOTMENT		BONUS	
Name	Start-Up	Allotted Products	Value	%	Amount (Per Round)
